

FRESH START

The Fresh Start course is for you, if

- you've given your life to the Lord and wonder what comes next.
- you've been a Christian for a while, and just find yourself in a bit of a rut
- or maybe you feel far from God—you've been disappointed or hurt in life—and you feel that you need to discover, or even rediscover, Him.
- you've perhaps been a Christian all your life, but you've always felt that there's something missing from your relationship with God.

Fresh Start is for you!

How and when should you tackle this 10-session course?

- There's really no right or wrong way.
- The important thing to keep in mind is that God never intended for us to journey alone—He's really into relationships.
- So, why don't you get a few people together — maybe your life group, a family member, or even people from your work — and decide on what works best for you.
- You can watch the material together, and chat about it afterwards,
- or you can watch it in your own time, and then get together as a group to talk about it afterwards.
- Hey, don't wait for your church to organize an event! Why don't you go away for a weekend—have your own mini-conference—with friends who'd also like to rekindle their relationship with Jesus.
- You don't need to have all the answers, just a hunger for a Fresh Start.
- The sky is the limit!
